STORYTIME. ANYTIME.

Dear Educator,

Welcome to Story Box Library. We are delighted to have your school trialing our wonderful resource with your staff and students.

LOG IN INFORMATION

You should have nominated two sets of log in details when registering for your free trial.

Firstly the Account Holder username and password, which are for your sole use as the person charged with managing the school account.

The second set of log in details are known as the Viewer username and password. These details should be provided to staff and students to log in.

Please do take the time to share the Viewer log in details with your colleagues so that they can also assess Story Box Library for suitability for use within your school.

POSTER

We have created a poster that you can print out and add your Story Box Library trial dates and viewer log in details to, which you will find in this kit. The poster can be used as a helpful reminder to students and staff that you have trial access to Story Box Library.

INFORMATION BROCHURE

This welcome kit also contains a helpful information brochure about using Story Box Library within your school. You may wish to distribute copies of this brochure to staff members for their information.

AT-HOME ACCESS

Did you know that we now allow at-home access to Story Box Library for your students and their families? Simply provide your school families with the Viewer log in details and families will have access for your trial period and subsequent subscription period should you choose to sign up.

Check out our Classroom Ideas! These curriculum-linked lessons complement and further connect children to the themes of each story.

END OF TRIAL PROCESS

Towards the end of your free trial period, you will receive a quotation from us detailing the price of a 12 month subscription for your school should you choose to subscribe.

We rely on information from the MySchools website in regards to students numbers, so please do check that we have accurate student numbers listed for your K-6 year levels. Please advise us as soon as possible if your students numbers are not accurately recorded so that we can update your quotation to the correct amount.

If you wish to subscribe to Story Box Library upon receipt of your quotation, then simply email us at **admin@storyboxlibrary.com.au** to advise that you accept the quote. The school will then receive a tax invoice allowing payment within 30 days.

Should you NOT wish to subscribe to Story Box Library, please email us at **admin@storyboxlibrary.com.au** to advise that you do not wish to accept the quotation. If you have any specific feedback as to why the school is not subscribing, we would love to hear from you so that we can continue to improve our product.
